

PARTS PRICE LIST and ORDER FORM

for the TROY-BILT® Roto Tiller-Power Composter
(Horse Model)

NEW PARTS KITS AND TOOLS

Here are some of the most commonly-ordered parts at a low, "package" price. You save money because we pass along the savings gained from packaging these parts ahead of time all at once. You can also order some special tools and parts that are now available to help you do your own tune-ups and tiller maintenance. Here are the details:

SEAL & GASKET KIT #1309; list price of items is \$14.60 but kit price is only \$11.35. Includes (1) #9600 seal, (2) #9601 seals, (2) #9602 seals, (2) #9604 "O" rings, (1) #1121 gasket set, and (1) 4-oz. can of sealant.

TECUMSEH FLYWHEEL REMOVAL TOOL #1313; special price only \$3.00. This tool is needed for Tecumseh engine tune-up. Instructions included.

SPECIAL WASHERS #1344; price is \$1.40. Includes one each, 1" and 1½" heavy steel washers for seating the wheel and tiller shaft oil seals. Instructions included.

ENGINE TUNE-UP KITS for Kohler (#1310, \$7.15), Tecumseh (#1311, \$6.50), and Clinton (#1312, \$5.45). Includes spark plug, breaker points, condenser, and detailed tune-up instructions.

To order any of these kits or tools, please use the order form on page 4. They're conveniently listed under the heading "MOST POPULAR PARTS." And don't forget to deduct your Direct-From-Factory 10% Discount off the total of your order!

HARDWARE

For your convenience in ordering parts for your Troy-Bilt, we have listed the dozen or so parts Tiller owners most often ask for (such as Tines, Reverse Disc, Seals, etc.) along with the new parts kits and tools, in a special section on the Parts Order Form on Page 4, marked "Most Popular Parts." You'll find other Parts listed on Pages 2 and 3 of this Price List.

To order attachments or a new Troy-Bilt, please use your "Owner Order Form for Tillers and Attachments."

Prices shown here are effective September 1, 1976 (so please discard all parts order forms you may have received before now), and are subject to change without notice.

As a Troy-Bilt Owner, you may receive a year-round 10% discount off the list price of any and all parts you order direct from the factory.

After you have completed your order, please tear off the order form on page 4 and send it back to us. We'll send you another Parts Price List and Order Form with your parts. Thanks.

TROY-BILT® Roto Tiller-Power Composter

DIRECT-FROM-THE-FACTORY PARTS ORDER FORM PROVISIONS

A 10% DIRECT-FROM-FACTORY DISCOUNT IS ALLOWED ON ALL TROY-BILT PARTS ORDERS.

NO HANDLING OR PACKING CHARGES.

WE PAY ORDINARY POSTAGE, U.P.S. AND C.O.D. COSTS.

All ordinary postage, United Parcel delivery costs and C.O.D. fees will be paid by Garden Way Mfg. Co., Inc. with two exceptions in which case you pay the costs:

- If you request special handling, such as air freight or United Parcel Blue Label Service, those full shipping charges will be collected at the time of delivery.
- If you order any one of these two extra heavy items: (1) the engine, (2) tiller transmission, (These will be shipped to you by truck and full motor freight charges will be collected by the trucker.)

METHOD OF SHIPMENT

All parts orders will be mailed Parcel Post, or shipped United Parcel Service at our expense, except for those heavy items or special delivery services mentioned above.

A SPECIAL NOTE REGARDING SHIPMENT OF THE EXTRA HEAVY ITEMS BY TRUCK.

Many truckers charge an additional \$10 to \$15 or more for delivering directly to your home. You can avoid this charge by picking up the item yourself at the trucker's terminal, or by arranging to have those extra heavy parts shipped to a business address in your neighborhood (such as your local gas station, feed store, hardware, grocery, etc.). If you decide to do this, please include your special delivery instructions on the Order Form.

METHOD OF PAYMENT - CASH IN ADVANCE OF C.O.D.

After taking the 10% Direct-From-The-Factory discount, you can make payment in advance (at least 20%, please) by personal or cashier's check, or by express or postal money order. Make such payments to the order of: **GARDEN WAY MFG. CO., INC.** If you do not prefer to make full payment in advance, your shipment will be sent to you C.O.D. for the balance. We will pay the postmaster U.P.S. C.O.D. fee.

WHEN RETURNING GOODS . . .

On goods returned to us for any reason, shipping charges must be prepaid by you. Please tag return items with your name, address and zip code; include a letter of instruction. Please **DO NOT** return batteries. (Please write or phone us for details.)

IF YOU ARE NOT SURE WHICH PART YOU NEED . . . write us, giving the details of the problem. Send us a sketch, or a photograph of the part in question. Or, if you have a copy, refer to your Parts Catalog for the correct part number. If you return the defective part itself, we will determine the problem and send you the new part we believe you need. Be absolutely sure you give us the Model and Serial Number of your Troy-Bilt Tiller (see below on this page).

GUARANTEE ON PARTS — NO TIME LIMIT!

All parts are carefully inspected and checked at the Factory. WE GUARANTEE TO REPLACE any part which is defective material or workmanship, except for the engine which is warranted by the manufacturer. Satisfaction is guaranteed or your money will be refunded.

We will repair, replace or refund full payment on any parts which prove, upon our examination, to be defective, where the fault is ours. All parts must be returned, shipping prepaid to the Factory. Repairs made by an unauthorized service outlet, or by the customer to correct or replace parts before the question of the guarantee has been settled may automatically void this guarantee.

Please write or phone us if you have any problems. If the fault is ours, allowing for reasonable wear and tear, we will make good, even if it means sending you completely new parts or having you return parts or attachments for exchange, repair or full refund of purchased price — except for shipping costs — whichever you prefer.

THE ENGINE, OF COURSE, IS WARRANTED BY THE ENGINE MANUFACTURER!

The engine on your Troy-Bilt Tiller is warranted by the engine manufacturer (for one year from the date of delivery). The engine warranty is described in detail in their instruction manual. If engine trouble develops, you should contact one of the engine manufacturer's authorized service dealers. He should be listed in the Classified Telephone Directory ("Yellow Pages") under "Engines-Gasoline." If he's not listed there, please write to us and we'll send you the names and addresses of dealers nearest you. Engine repairs, made by other than authorized engine service dealers, will void the manufacturer's warranty. If you do not get satisfaction on an engine warranty claim, please write to us.

Yours for good gardening always,

Dean Leith, Jr.

Dean Leith, Jr., Sales Manager for
TROY-BILT Roto Tiller-Power Composters
Garden Way Manufacturing Company, Inc.
102nd Street and Ninth Avenue
Troy, New York 12180

TO FIND YOUR TILLER'S SERIAL NUMBER . . .

LOOK HERE

On Tillers shipped 7/6/71 and later, look on the Transmission Case, Part No 1000, right side above wheel axle.

OR HERE

On Tillers shipped prior to 7/6/71, look on Motor Mount, Part No. 1002, top left.

Please Read This Before Sealing Your Envelope . . .

To speed up delivery, and to make sure you get exactly what you want the first time . . . be sure to include the following information with each order:

- A. Your name, address and postal zip code number.
- B. The Serial Number of your tiller.
- C. The part number, description, quantity and price of each item ordered.
- D. Full Payment in advance or at least 20% down payment. In which case, your order will be shipped C.O.D. for the balance, at no added cost to you. We pay C.O.D. service charges.
- E. PLEASE PRINT PLAINLY.

HALF-PRICE FACTORY REBUILDING AGREEMENT

At any time, no matter how new or old your TROY-BILT Roto Tiller-Power Composter may be, we will rebuild and repaint it, replacing every worn part (such as bearings, gears, seals, tines, fiber disc, bolts and including a new engine) for one-half the current retail price at the time of repair of that model or its equivalent (if that exact model has been changed); owner to pay shipping and container costs to and from Factory. If any other than wearing parts need replacement, an estimate will be submitted to owner for approval. This offer, of course, is subject to fire, war, strikes, and other contingencies beyond our control.

The whole spirit and purpose of our Direct-From-The-Factory Savings Plan, our No-Time-Limit Guarantee and Factory Rebuilding Agreement is to provide owners of TROY-BILT Roto Tiller-Power Composters an outstanding value both as to purchase price and maintenance cost of Rotary Tillers and attachments especially designed and built for their purposes — in return for their cooperation in spreading the good word about the Troy-Bilt to other serious gardeners — to our great and genuine mutual benefit.
