CAUTION

We urge that you use only genuine TROY-BILT Chipper/Shredder replacement parts which meet all of the latest requirements. Replacement parts manufactured by others could present safety hazards even though they may fit on this product.

PARTS ORDERING INFORMATION

Parts for your machine may be ordered from your local servicing dealer or directly from the factory (see factory address and phone numbers on page at left). Please remember that we, or your local dealer will need to know the identification numbers of your machine to give you the most efficient service. Please see below for how to identify and record the identification numbers for your machine.

When ordering parts, please be sure to provide the following information:

1. The SERIAL NUMBER and MODEL NUMBER of your machine.
2. The PART NUMBER of the part.
3. The PART DESCRIPTION.
4. The QUANTITY needed.

If you need engine service or parts:

For engine service or parts, please contact your local authorized engine dealer. Look in the Yellow Pages of your phone book under "Engines-Gasoline" for the name of your nearest authorized engine dealer. An authorized dealer can handle all parts, repairs, and warranty service concerning the engine.

IDENTIFICATION NUMBERS

Please write the Model and Serial numbers of your machine in the spaces provided below. You can find the location of these numbers by referring to the following illustration.

Model Number: _____

Serial Number: _____

IMPORTANT:

Some replacement parts that you receive may vary slightly in shape, color, or texture from the original parts. This is because certain parts are supplied to us by more than one manufacturer. Please be assured, however, that all parts must conform to our rigid quality specifications, and any slight variations will not affect the fit or performance of these parts.
